

CV 2019

Rafal Liszewski

I am a graphic designer
/visual communicator,
visual artist & illustrator
from Adelaide. I work
at a self-started studio
'small room' with Lachlan
Stewart. Sharing a love for
design, experimentation
& a naive sense of curiosity
to keep pushing forward.
Out of small room hours, I
pursue various visual art &
illustration practices which
is fueled by my personal
interest in art history &
theory. These three visual
aspects all lean in together,
propelling each field forward.
